

**United Food and
Commercial Workers
Union Local 1500
Endorses Rory Lancman
for the 25th Assembly
District**

"UFCW Local 1500's endorsement means a lot to me personally," stated Rory Lancman, shown here with Executive V.P. Anthony G. Speelman and Asst. Political Director John Woods, "because Local 1500, headquartered in Queens, has a well-deserved reputation as an activist union, not only in delivering for its 22,000 members in and around New York City, but in aggressively 'organizing the unorganized,' as they put it, to bring the benefits of union representation to more and more workers every year. I am thrilled to have their enthusiasm and drive behind me, and to be able to partner with them on the broader issues we both care so much about: access to quality health care, civil rights for all and safe workplaces."
